Tired, Overworked Men What You Need is Vinol

Vinol creates strength because it is a non-secret combination of the most famous body-building and strength-creating elements known - Beef and Cod Liver Peptones, Iron and Manganese and Glycerophosphates. You who are run down, nervous, lack energy and working strength, we know that Vinol is what you need. Try it at our risk. Here is Proof:

Sandford, Maine.

"I suffered so much from a rundown, nervous condition and stomach trouble that I never felt like working, and had tried almost everything without relief. The first bottle of Vinel, however, helped me, and it has finally built me up so I feel better now than I have for a long time."—C.D.Haines.

For all rundown, nervous, anaemic conditions, weak wemen, overworked men, feeble old peeple and delivate children, there is no remedy like Vinol.

Creates Strength

in home or office.

Dean Hills of the University of Vermont Writes:

"I am not surprised at the demand for India wheat, In the early days, India wheat was very largely grown for stock feeding purposes, and at the present high price of grain. I don't blame farmers for growing it largely. In the hill towns of Vermont a generation ago, it was a very common crop. We made feeding trials of it many years ago for some seasons and found it compared very favorably with bran; indeed, we fed it for two seasons in comparison with wheat bran and half and half cottonseed and linseed meals. It seemed a fair substitute, pound for pound, for wheat bran and nearly a fair substitute for equal parts of cottonseed and linseed meals. This outcome was not one which the analysis would have led one to expect, but it was confirmed by the concordant results of two seasons' trials."

We have 100 bushels of a mixture of buckwheat and India wheat for sale. The U.S. Bureau of Plant Industry gave the following analysis of the sample sent them: 20 per cent India wheat, 75 per cent Japanese type, 5 per cent Silverhull type.

This seed is for sale at \$3.00 per bushel f. o. b. Wells River.

PLAINFIELD

"The Guilty Man," by Ruth Helen You will like this picture. It's a wonderful story. Its extraordinary chain of circumstances form a plot that for sheer dramatic intensity, has few equals. The greatest Broadway success of its season becomes the motion picture sensation of the year. We also have a two-reel Mack Senentt comedy, entitled "His Hidden Purpose," and a one-reel traveling picture. This is a big special prices will be 20c and 30c for Friday, May 9. Eight thousand feet of Don't miss it .- adv.

When to Gather Roots and Herbs.

For medicinal purposes, roots and herbs should be gathered when their medicinal properties are at their best. For instance, roots of annual plants should be dug just before their flowering season, and roots of biennial or peren plants after the tops have dried. All these things are taken into consid eration in gathering the roots and herbs. many tons of which are used annually in preparing that most successful of emedies for woman's ills, Lydia E. Pinkham's Vegetable Compound.-Adv.

The listers have completed their task of making up the poll tax list. The list shows a slight failing off from last year, but not as bad as was expect. It contains 616 names, 10 of them being women. The total tax will amount to \$3,599.20, divided as follows: Town, \$2,296.50; village, \$415.20 and Hardwick academy and graded school district \$887.50, making a total of \$3,500.20. The listers have also practically completed heir abstract of the grand list and have designated May 17 as grievance day, and all taxpayers thus have a fair warning, and if they fail to visit the town clerk's office and investigate their grand list it s no fault but their own.

Mrs. Emma Daniell has returned home or the summer and has opened her house n Maple street.

Mrs. Helen Drew was home the lat ter part of last week from her work in Burlington. George Ralph has bought one of the

Shurtleff houses on Cherry street and has moved into the same. Miss Florence Miles has been home from her work in Montpelier the past

Miss Marietta Davis of Boston ar by millions of people.

Peter Blackhall arrived in town last Saturday night from Montreal, P. Q. Mr. Blackhall has been in the British army since June, 1916, and has been in some of the hottest fighting of the war. He has been discharged and will remain in Hardwick for some time. Mr. Blackhall has some interesting stories to tell of the war.

RANDOLPH

Mr. and Mrs. O. W. Mann are in town this week, coming from Boston to transfer the lease of the Randolph inn, which they hold till the coming fall. It is not made known to whom this will be given, but it is expected that it will be given over to some responsible party who will run it through the winter. The family of B. C. Sheldon, it is understood, will join Mr. Sheldon in Northfield, where he has been conducting an A. & P. store for several months. Mr. and Mrs. Mann will return to Boston in a few days.

Mr. and Mrs. J. J. Stimets, accompanied by the former's brother, expect to start from here in about two weeks for California, to make the trip by automobile and return. Mr. Stimets has been granted a two months' leave of absence om the Brigham Creamery company and takes this way of passing the time.

Mrs. S. C. Clark, who has been pass ing the winter in Danvers, Mass., with her son, Dr. Harry Clark, and wife, returned on Monday to her home here and has opened her rooms in the Martin block for the summer.

Mrs. A. P. Libbey, who has been at Fairlee for the winter, passing the time with her sister-in-law, Mrs. Paine, came Sunday and is packing her household goods preparatory to going there for a permanent home. Her rooms in the Martin block will be vacated this week.

J. B. Adams has returned from Wilder where he went to see his brother, Senator Clinton Adams, who has been ill for a month at the home of his son and is only able to sit up a few minutes a day at present. It is expected, however that he will recover if nothing new de-

Spring Fever -What Is It?

THREE o'clock in the afternoon - and absolutely no pep." You call it spring When you are constipated waste matter re-

mains in the intestines, decays, forms poisons which are absorbed into your blood and carried by it to every cell in your body. When your cells are thus poisoned, of course you have no "pep." Pills, salts, mineral waters, castor oil, etc., merely force the bow-

els to act, and make constipation and self-poisoning a habit. Nujol is entirely different from drugs as it does not force or irritate the bowels. Nujol prevents stagnation by softening the food waste and

encouraging the intestinal muscles to act naturally, thus removing the cause of constination and self-poisoning. It is absolutely harmless and pleasant to take. Nujol helps Nature establish easy, thorough bowel evacu-

ation at regular intervals—the healthiest habit in the world. Get a bottle of Nujol from your druggist today and watch your "pep" come back.

Warning: Nujel is sold in scaled bottles bearing the NujelTrade Mark.

Public Should Demand Original Nuxated Iron Physician Warns Against Danger

Of Accepting Substitutes-Says That Ordinary Metallic Iron Preparations Cannot Possibly Give The Same Strength, Power and Endurance

A+ Organic Iron-Nuxated Iron

The remarkable results presented and its widespread sale (it being estimated that over three million people annually are today using it) has led to the offering of numerous substitutes, and these physicians mentioned below say that health officials and dectors everywhere should caution the public against accepting substitutes for Nuxated Iron, as these substitutes instead of being organic from may be nothing more than a metallic from compound which may in some cases produce more harm than good. Those who feel the need of a strength and blood builder, should go to their family dectors and obtain a prescription calling for organic from—Nuxated Iron—and present this to their druggist so that there may be no question about obtaining the proper article. But if they do not wish to go to the trouble of getting a prescription for Nuxated Iron then they should be sure to look on the label and see that the words NUXATED IRON are printed thereon. printed thereon.

There are thousands of people taking iron who do not distinguish

NUXATEO There are thousands of people taking iron who do not distinguish between organic iron and metallic iron and such persons often fail to obtain the vital energy, strength and endurance which they seek simply because they have taken the wrong form of iron. If you are not strong or well, you owe it to yourself to make the following test:

See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength and see how much you have gained. IRON

East your strength And Sec Row Buch you have gained.

Mantantunus Rout The widespread publication of the above information has been suggested by Dr. James Francis Stillivan. formerly physician of Bellevine Haspital Continue Department Secr. Took and the Watchessee County Respital; Dr. Farsimant King, Rew York Physician and Medical Author and others so that the public may be informed on this subject and protected from the use of metallic iron under the dension that it is Nutrated Iron. The secret remedy but one which is well known to draggette. Delike the older, inogrante from producted it seesily assimilated, done at lights the certs, make them black nor got he shound. The manufacturers guarantee aucreacht and entirely satisfactory results to every purchance or they will refund your money. It is dispensed in this sity by all good dragget.
